

Camden Healthcare Staffing - Temporary Dentists

Who we are

Camden Healthcare is a staffing agency that specializes in placing temporary, or locum tenens, dentists nationwide. We place these temporary dentists in any organization that utilizes the services of a dentist. Some examples are:

- Solo practices
- Group practices
- Dental management companies
- Correctional care facilities
- Native American outreach centers
- Government facilities
- Community health clinics

Why use Camden

We provide locum tenens services with professionalism and a high degree of integrity. We know that successful assignments are the result of embracing both client and candidate needs, and being dedicated to front-end due diligence. Here are some of the things Camden brings to the table:

- National contracting experience
- Fast response time

- Resources that deliver
- A dedication to background checking
- No obligation searches

Our search approach

Camden searches are totally without obligation. This means that directing us to conduct a search costs you nothing. No up-front money, and you can set parameters, review resumes, and choose to use, or choose not to use one of our locum tenens. To summarize, our searches are:

- Contingent
- Non-exclusive
- "At will"

Utilization reports

If requested, Camden will provide monthly reports showing utilization. Reports provide data by location that show hours or days worked, personnel involved, and costs incurred.

A few words about correctional care

Camden Healthcare staffing has extensive experience within the correctional care industry. We currently place dentists, dental

hygienists and assistants, physicians and mid-level providers with many of the largest correctional care organizations in the US. Camden is dedicated to excellence and quality in the area of correctional care.

Permanent placements

Camden is well able to place permanent direct hire employees. Many of our clients use us for only this function.
